

Self-Generating Insulation Surveyors

JMD Solutions LTD – Essex

JMD Solutions are a Home Energy Efficiency Solutions company based in Essex with operations throughout the South East of England. Since 2010 JMD Solutions have offered home owners access to grants for home improvements and Energy Efficiency measures.

Due to demand from the public for access to the government incentives (CERO, CSCO & HHCRO) we are looking to expand our sales teams in the London, Kent, Essex, Suffolk and Norfolk areas.

The role will involve offering members of the public access to this funding in the comfort of their own homes. Our surveyors carry out a full and complete survey on the property to ensure that the property is suitable for the schemes.

All sales under CSCO & HHCRO are FREE* to the customer.....YES.....FREE!!!

You will earn excellent rates of commission, up to £440** for a cavity and up to £160** for loft.

Full ongoing support and training will be provided.

Paper work, ID's and equipment will be provided.

All self-generated survey commissions will be paid weekly.

We will also pay extra if survey comes in with EPC and GDAR.

We also offer the right candidates the option to sell to other markets within our organisation including Boiler, External Wall Insulation and Room in Roof.

This is an excellent opportunity for the right candidate to join our expanding company and enjoy a fruitful career doing what you do best.....SELLING!

Contact us today with your CV. Immediate starts available.

*Subject to survey
