Domestic Gas Engineer – South East

Earnings – priced per job or daily rate offered, £150 - £400 a DAY

OTE – £52,000 full time subcontracted work

We are looking for an all-round competent Gas Engineer who will be working in the domestic market installing and upgrading customers heating systems in Essex and the surrounding counties.

Due to such a high demand, we are looking for competent and professional Engineers that we can sub contract work to in the South East.

You will be carrying out new installs and upgrades in domestic dwellings scheduled with the customers.

Requirements for the role:

- Relevant craft qualification i.e. City & Guilds, NVQ Level 2 or equivalent and have ACS qualifications CODNC01, CDGA1, GICA1
- Domestic ACS Tickets CEN1,CKR1,WAT1,HTR1,MET1,CPA1
- Own tools
- Drivers licence

The package:

- £150 – £400 a DAY based on experience and competency.
- Price work available.
- Company Vehicle (where needed).
- Travel expenses.
- Support with purchasing own tools.
- Weekly payments.

To apply for this role, please forward your CV to info@jmdsolutionsltd.com or call us on 01376 572676.

If your experience matches please forward your CV immediately.

We thank all applicants who respond, but only those short listed will be contacted.
